Welcome to the 55th annual Music Festival! The Fort Saskatchewan Music Festival is a local, annual event that promotes and fosters achievements of youth in music and speech arts. Our non-profit, volunteer Association plans and hosts an annual Music Festival to celebrate the musical achievements of student performers living within the Elk Island and Sturgeon School Divisions. An adjudication given by professional musicians in a workshop style follows each performance group.

The mandate of our committee is to provide individual students and school groups performing in music disciplines such as piano, choir, vocal, instrumental, band, handbells and speech arts, the opportunity to develop their music ability through adjudication by a professional musician.

Our events are held at two locations within Fort Saskatchewan:

2014 Adjudicators

Robert deFrece– Handbells

Robert de Frece retired in 2008 from his position as Professor of Music and Music Education at the University of Alberta, in Edmonton, Alberta, Canada, where he continues to direct the Greenwood Singers, the University of Alberta Mixed Chorus and the Faculty of Education Handbell Ringers. He is a member of the author team for two textbook series published by Macmillan/McGraw-Hill, Share the Music and Spotlight on Music. His publications also include Singing Round the Year, Hooray for Singing: Part-singing Experiences for Upper Elementary and Middle School, and two musicals for children (Mi-Re-Do: The Game Show and Brought to You By) co-authored with Sue Harvie. Dr. de Frece currently teaches in Orff summer programs at the University of Alberta (Edmonton), Hofstra University (Hempstead, New York) and Trinity University (San Antonio, Texas). In 2006, he presented an Orff seminar for teachers and professors in the People’s Republic of China.

Bill Dimmer – Instrumental – Solos and Ensembles

Bill Dimmer has performed with the Edmonton Symphony Orchestra since 1971. He is a graduate of the University of Calgary and has studied in Denmark with members of the Royal Danish Orchestra and in Chicago with members of the Chicago Symphony. He has performed with the Tommy Banks Band and with several other performing organizations as player and conductor, including the Plumbers Union (a recorder group which gave a Command Performance for the Queen during the 1978 Summer Commonwealth Games). He has also been active as an adjudicator and conductor and is currently music director of Nova Musica, a community orchestra in Edmonton.

Mr. Dimmer has been Executive Director of MusiCamrose (a residential summer music workshop) and has been on faculty at The University of Alberta, Grant MacEwan College/Alberta College Conservatory, Concordia College and Augustana University. Bill Dimmer is also a pilot and flies with and is an instructor for Civil Air Search and Rescue Association (CASARA) Edmonton and teaches ground school at the Edmonton Flying Club.
Broderyck Olson – Strings

Broderyck (Broddy) Olson is the longest serving current member of the Edmonton Symphony Orchestra (ESO), having joined the 1st violin section in 1961. His first teacher was his father Ray Leroy Olson of the family owned Olson Music School, who in 1952, was one of the founding members of the Edmonton Symphony Orchestra. Other teachers have included Edgar Williams at the Alberta College, Ivan Galamian and Dorothy Delay at the Juillard School of Music in New York, plus Thomas Rolston and Lawrence Fisher at the University of Alberta where Bachelor and Master of Music degrees were achieved. During the summers of 1970-75, Broddy studied with Tadeusz Wronski at the Indiana School of Music. Broddy was appointed Assistant Concertmaster of the ESO in 1966, and continued to hold that position until few years ago after deciding to step down; although he is still a member of the 1st violin section in the ESO.

Mr. Olson has taught hundreds of violin students over the years; many whom have gone on to professional careers. Two present members of the ESO – Robert Hryciw and Alissa Chueng are former students of Mr. Olson. Broddy started teaching at a young age at the Olson Music School, and continued later at the Banff Centre, University of Alberta, and Alberta College. Presently, Broddy teaches out of his home in southwest Edmonton. There are many, many fantastic performers with the ESO over the years. These days we are hearing great players who are both young and Canadian. Mr. Olson was playing with the ESO for its legendary performance and recording in 1971 with Procol Harum, and was also playing during the 1970’s for all 48 live concert recordings of the ITV (now Global) IN CONCERT SERIES.

Mr. Olson, though interested in all sports and cheering loudly for our professional teams in Edmonton, participates as a golfer at the Royal Mayfair Golf Club. Since 1967, Broddy has been married to “the greatest gal in the world”, Patty, who forever puts up with many extravagances. Their 3 dogs – Sam, Fred and Maggie allow Patty and Broddy to live with them in southwest Edmonton.
Viola Braun Fox – Piano

Viola Braun-Fox grew up in Southern Manitoba. She was the youngest of five children in a Mennonite home where music was encouraged and nurtured both at home and in the church and school and community at large. While in high school, she began making weekly Saturday trips to Winnipeg to study piano with Mr. Ted Lincoln. She came to the University of Alberta to continue her studies with Mr. Lincoln in 1967. His studies with Alfred Cortot in Paris and Harold Craxton in London had influenced him greatly and shaped his musical tome into a warm and rich sound. This appealed to her as she especially enjoyed playing the Romantic composers.

Viola completed her Bachelor of Music, her Associate of Music (Western Board of Music), and the Master of Music at the University of Alberta. These degrees were all in Applied Music in Piano Performance with a thesis on Schumann’s “Carnaval”.

In 1973 Viola and her husband Derek Fox moved out to a farm near Hairy Hill, Alberta – approximately an hour-and-a half North-East of Edmonton. Here she has taught piano and music theory privately in the Vegreville area and surrounding communities. She also taught Suzuki piano for approximately fifteen years and presently incorporate the principles of Suzuki philosophy into her teaching. During the two college years of 1994-5, 1995-6 Viola taught Piano and Aural Skills at Red Deer College – a long weekly commute from home!

Ms. Braun-Fox has been an active supporter of students participation in festivals and workshops. She has served in the capacity of Master Class teacher, clinician, adjudicator, examiner, etc. over the years in many, different situations and circumstances. In a volunteer role in the community she is a member of a number of different organizations and has a personal interest in the use of music therapy for palliative care patients and their families.
